DAILY QUIET TIME

This week follow these instructions as you come to each passage of scripture for the day.

1. Take a moment to focus on God simply inviting God to be a part of your day and ask the Holy Spirit to speak to you.
2. Read through the scripture three times with these three emphasis:
 - a. Read silently and expectantly for God to speak to you.
 - b. Read the verse aloud.
 - c. Read as though God is speaking directly to you.
3. Note any part of the verse that jumps out or shimmers as this may be God speaking to you today. Circle the phrase or words that most speak to you and let them remain with you for the day.
4. Thank God for speaking to your heart.
