✧ Musings from the Pastor ✧

First time. We have many experiences in life where there is a first time. First time to walk, talk, ride a bike, swim, jump off a diving board... well you get the idea.

I remember when I attended my first Detroit Annual Conference of the United Methodist Church. Everything was new to me. We met at Adrian College to worship God, to celebrate the ministry of the churches, to hear wonderful speakers, to do the business of the conference (voting on issues) and of course eat and fellowship together. I was in awe of the large number of like minded people and began to really get a picture of ministry at a large level. I really began to understand what being a connectional (as opposed to independent) church really means. We have one another to support, help and do ministry with. It was a wonderful first experience.

I've now attended 16 annual conferences (or so) and through the years there have been wonderful times of worship, laughing, and debating issues. On top of these things, I always walk away seeing how God helps us be the larger body of Christ, and how we encourage one another in ministry. This year was no different. The main scripture used was from Luke chapter 10 where Jesus tells the story of the Good Samaritan. The emphasis was engaging in ministry and mission together. This was a really good fit as the West Michigan and Detroit Annual Conferences came together to become one new conference called, The Michigan Area Conference.

This year at our opening worship service, Bishop David Bard spoke about the Good Samaritan and how we should always be reaching out to all people, regardless of who they are and where they find themselves in life. The Good Samaritan had no reason to help the hurting man by the side of the road. He wasn't a relative. He didn't know him. Yet he had compassion on the man (like God has compassion on us), and helped him.

And in the message, the Bishop said, ***“God has a mission in the world and love is at the heart of it!”*** The mission should be clear to all Christians. First, we Christians are to help those who don't know Jesus, to know Jesus. Secondly, we Christians are to help each other to grow in our knowledge, love, and service to God. Bishop added saying, ***“... we are recipients of this love and dispensers of it too. We are both, on the side of the road and coming to the aid of others.”***

If you're a person who is truly growing as a Christian, you should be experiencing “firsts” every now and then. God speaking to you about new things in fresh ways. A new insight into who God is or what God has done for you. A new experience in ministry to each other. A new person to share God's love with... and so much more...

It is my prayer for you that God's love would wash over you in fresh new ways this coming year. That you'd hear God once again. That you'd know God's love for you in deeper and more significant ways. That God would use you to help someone this year to know God's amazing love.

*Sharing the journey,
Pastor Paul*

Welcome to The Michigan Area Conference!

You might not know this yet, but we are going away soon! Isn't that a loaded statement? You need to know the context to fully understand the statement. Who is the "we"? What does it mean "going away"? How "soon" is this happening?

- ◆ "WE" is twofold. The Detroit Conference will no longer be in existence as a United Methodist Conference. It is going away!
- ◆ "Going Away". Although the name "Detroit Conference" will no longer exist, the churches that make up the conference will. You see the Detroit Conference is merging with the West Michigan Conference to become the newly formed, Michigan Area Conference.
- ◆ "Soon". We've really been in the process of merging now for 3 years. But we officially become one conference on January 1, 2019. The two conferences have joined together for our yearly "Annual Conference" gathering for the last 3 years.

So what does this mean for you?

- ◆ We are no longer the Ann Arbor District. The district Hartland UMC belongs to now is called the Heritage District. Our district borders have shifted a small amount as the district moves a little west in the lower segment, and moves a little east in the upper segment. (*see the map on page one*) Also, there are less districts in the new Conference, so there are more churches in each district.
- ◆ A part of the new conference is to help reduce some costs to the conference (i.e., less district level positions (Superintendent, Administrative staff) and office space/equipment to rent, one Annual Conference meeting instead of two, as well as other admin/benefit staff changes).

Here is what the new Michigan Area Conference is about....

Mission: To make disciples of Jesus Christ for the transformation of the world. Part of how we live out this mission is by proclaiming the Gospel and loving God and our neighbor. This is our response to God's incredible grace and love.

Journey: We view faith as a journey, not something that simply appears at conversion. Faith is both a gift from God and a choice we make. We try to cultivate our faith through participation in a community of believers and being open to God's work in our lives.

Unity: We believe that no local church is the total body of Christ; therefore, local United Methodist churches within our Michigan Area are bound together by a common mission and common governance in order to strengthen our outreach.

MISSIONS UPDATE

Jesus tells us to **go into all the world and tell them the “Good News”**. A part of telling the “Good News” is to help those in our community with their physical needs and to be in ministry with those helping the less fortunate. Here are some of the ways we have been in missions with our community...

Hero Teen Center

Help them to celebrate Christmas (just received these pics). Several kids received shoes, and all enjoyed a gift card and a hot meal!

Ministries within the church

The Personal Needs Pantry, Gas Card Ministry, Prayers & Squares and Gleaners Food Bank help to reach the needs of people and let them know that God cares for them. Thank you for your continued prayers and support for these important and often forgotten ministries of outreach and care!

Don't forget... Get involved in one of these ministries, or begin a new ministry to help those within our community!
